# Messy Morning!

On a Friday in May we held our first 'messy morning' in the Chimp room! There were a number of activities that we set up to be enjoyed by the children as well as all their mummies and daddies who had come along to join in the fun!

The toddlers in the room all enjoyed the messiness that ensued and especially love trying to squirt Katie & Carli with paint and cover them with shaving foam!

We are hoping to run more events in this theme over the coming months so keep an eye out for more information as to when it will be coming to your child's room!

# Precious Moments

We have had our annual visit from Precious Moment and that went very well. All the DVDs should have been given out now so please ensure that you return them to the office as soon as possible with your order. Please also return any DVDs that are not being purchased.

## School leavers 2010

I can't believe that the time has come again but the last twelve months have flown by and it is now time to bid farewell to all of our Crocodile Pre-Schoolers that are moving on to 'Big School' in September.

We hope you all enjoy your adventures there and don't forget to come back and tell us all about it.

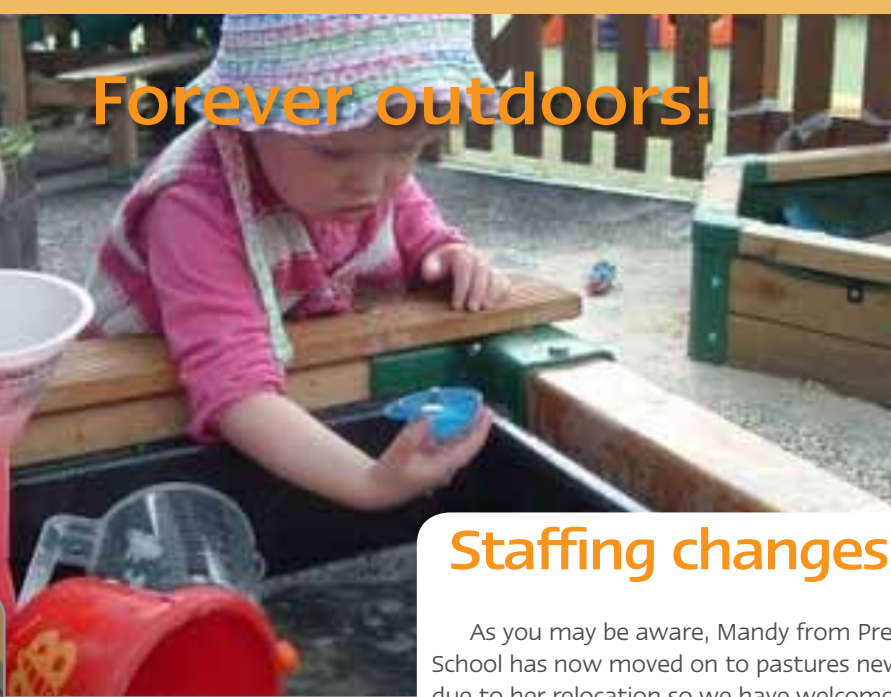

Before you go we would like to celebrate the fun years that we have had with you at a school leavers' party for all the leaving children that we will be holding on Saturday 24th July from 11:00 - 13:30. We are very lucky to be having Barry from the sportzcoach team joining us as well as party food and a graduation ceremony.

Please keep the date free in your diary!

## Big Toddle

Our theme for this year is Pirates and we will be holding the Pirate Toddle on Wednesday 21st July. Please send your children in dressed

## Forever outdoors!

up with the pirate theme and all donations will be going to the Barnardos charity. Sponsor forms will be out shortly or you can donate online by following the link on our website news section.

## Holiday Club

We were very lucky with our June Holiday Club's weather and we are hoping for more of the same in the Summer.

Our booking form is now open for this period running from July 26th through to the 3rd September so book now to avoid disappointment.

We have some fantastic trips available this summer to Bowood (4th August) and Cotswold Water Park (19th August) which will have limited availability. View our programme at [snapdragonsnursery.com/oos](http://snapdragonsnursery.com/oos)

## Staffing changes

As you may be aware, Mandy from Pre-School has now moved on to pastures new due to her relocation so we have welcomed Paula from our Atworth nursery to replace her!

We have a brand new staffing board in the front entrance on our website at [snapdragonsnursery.com/corsham-staff](http://snapdragonsnursery.com/corsham-staff) if anyone is a little confused as to who someone is.

Jo Whitehead has now been back with us for a couple of months as well so you will find her working throughout the nursery.

## Big Steps

Big Steps has been busy as always but even more so recently with all of our visits up to Corsham Primary School and the teachers coming down to visit us.

We have really focused on preparing for school so have been doing challenges like getting dressed and undressed. We are also getting good at counting, handing out our snack bowls and buttering our crackers.

There have been lots of stories about how other children are going to school and the children have also been mark making with different materials such as charcoal!

Our Book of the Month for July is Handa's Surprise by Eileen Browne.

## Newsletter

This will be our last newsletter in this style as from September we will be replacing it with a brand-new company newsletter which will give you a wonderful insight into all the goings-on throughout Snapdragons. You can still find all the latest news from Snapdragons Corsham on our website however at [snapdragonsnursery.com/corsham](http://snapdragonsnursery.com/corsham) so please refer to this in the future for updates.
