Summer 2009

The Pre-Schoolers involved in Sportzcoach enjoyed the sports day that was set up by Barry. They got the opportunity to do egg and spoon races, balancing and relays and show their parents!

We have enjoyed getting outside a lot this summer and bringing our activities with us. Babies have been doing messy painting out in the garden whilst Toddlers have been making regular trips to the library for story and song times. Pre-School have been creating very messy papier mache planets and talking about going to school!

We had a fantastic school leavers trip to Noah's Ark Farm Zoo recently where the children were able to have great fun riding the tractor and posing with the animals, including our camera-friendly camel! We would like to thank Ellie and Stephanie's mums for coming and helping us on the day. We will be having a leavers' party in August and you will receive your invites very shortly. But for now we would like to wish all of our school leavers a big good-bye and we hope to see you in the future!

*** This months comings and goings ***

On July 25th, Snapdragons held their Summer Fete at our Weston nursery, raising money for the building of a new baby unit at the Royal United Hospital in Bath. It was our best turnout yet and we raised an incredible £1000 to go towards the building of a wall in the unit. Thank you to everyone who supported us.

Could we please remind parents that if their children are not well then we have exclusion periods for some illnesses. Sickness or diarrhoea symptoms require the children to be away from nursery for at least 48 hours so please let us know so that we can reduce infection of the other children.

We would like to thank all the parents who have taken the time to fill in the feedback forms about drop in sessions and trips. We appreciate your input and will be following this up next term.

Dates for your diary

In August, we will be holding a Teddy Bears' Picnic so the children can bring in their own teddies and enjoy a picnic outside or at the park!

On 31st August we will be having our beach day so can children please remember swimwear and towels!

Can parents please remember to bring in named sun hats and sun creams so that we can get the children outside as much as possible.

We would like to welcome back Helen after having her baby! She will be working all day on Tuesdays and Wednesday mornings. We also have Sarah starting with us but unfortunately Emma will be leaving us in July to have her baby so we wish her well.

Finally, thank you to all parents who brought in pets for our pets week. It made all the difference to see such variety!
